

CGD SEMINAR

DATE: Tuesday, 12 September 2017

TIME: 11 a.m.

LOCATION: NCAR, 1850 Table Mesa Drive
Mesa Lab, Main Seminar Room

TITLE: The not-so-straight path from
CESM1 to CESM2

SPEAKER: Jean-Francois Lamarque, NCAR

ABSTRACT:

In this presentation, I will present an overview of the developments that took place between CESM1 (released in 2010) and CESM2, with a specific focus on the development path since June 2017. I will discuss the current status of the model, along with a summary of CESM2 performance against a variety of metrics. I will end with future plans, including participation to the Coupled Model Intercomparison Project Phase 6.
